

Dear Valued Customer,

Security is a top priority for the Digital Lizard and in an effort to continue to protect our customers from fraud and phishing scams, we want to take this opportunity to remind you that any changes to Digital Lizard's payment procedures will be communicated via:

1. A phone call from your Digital Lizard Credit Analyst, Customer Service or Sales Representative notifying you of changes to Digital Lizard's payment procedures; and
2. A written instruction that would accompany an expected communication from Digital Lizard such as an invoice or letter of quotation.

If you do not receive BOTH verbal and written communication, please confirm our payment procedures with your Digital Lizard Credit Analyst, Customer Service or Sales Representative before remitting payment.

If you have any questions, please contact your Digital Lizard Sales or Customer Services Representative or the undersigned at tony.britt@sheridan.com.

Thank you for being a valued customer of Digital Lizard.

Sincerely,

Tony Britt
